STAT

It is certainly with genuine regret that I accept your resignation from the Agency as of 24 September 1960, the date you desired it to become effective.

In the various senior positions you have held here your performance has been consistently of the highest caliber. Your sound judgment and advice through the years have been of the greatest value and will be sorely missed. I hope that it will be possible for us to call upon you from time to time in the future for your wise council and assistance when the occasion arises.

With every best wish,

Faithfully yours,

Allen W. Dulles
